Unbelievable opportunity to own this gorgeous custom-built home in West Falmouth Village. Situated on 1.22 acres this one of kind home is just $\frac{1}{4}$ to Snug Harbor, 1.2 miles to Chapaquoit Beach, and has direct access to Shining Sea Bike Path. The builders attention to detail and plethora of high end upgrades and features is rarely seen in new construction today. From the long winding pea stone circular driveway with 35' Fiberglass flag pole, double door entrance leading to beautiful open stairway above and 35' high atrium above with all custom millwork, 20ft high ceilings and dual sided fireplace separate living and family room, two 20kw generators to power entire home, and 3 car garage with custom cedar doors just to name a few. Kitchen is absolutely immaculate with all custom cabinetry, professional grade appliances, huge 10' center island, and separate custom built pantry with soft close sliding door. Home also features first floor master and in-law/au pair 2 bedroom suite over garage.

Other Special Features
